8:30	**Doors open, Coffee**
9:15 - 9:25	**Welcome**
Chair: Andy Whiten 9:25 - 10:10	**Public Lecture: Lucy Aplin** "Clever Cockies and Big City Birds: studying animal culture in the Anthropocene"
Chair: Alex Thornton 10:15 - 10:30	**Sofia Forss** "Early-life time investments and the trade-off between asocial and social learning pathways in wild meerkats"
10:30 - 10:45	**Michael Krützen** "Tool-using bottlenose dolphins set traps to capture reef fish"
10:45 - 11:45	**Coffee and Posters**
Chair: Luke Rendell 11:45 - 12:00	**Joe Morford** "Modelling the emergence of migratory cultures through social learning"
12:00 - 12:15	**Thomas Bugnyar** "Over-imitation in juvenile ravens?"
12:15 - 12:30	**Giulia Cimarelli** "Social learning strategies in free-ranging dogs"
12:30 - 12:45	**Eloise Newman** "Social compensation strategies in response to individual loss in natural populations"
13:00 - 14:30	**Lunch, AGM, Posters**
Chair: Rachel Harrison 14:30 - 15:15	**Plenary: Lars Chittka FRS** "Social insects – Ancient Cultures?"
Chair: Lucy Bates 15:15 - 15:30	**Lauren Guillette** "I always feel like somebody's watching me: Social context and conformity in zebra finches"
15:30 - 15:45	**Janet Mann** "Forty years of studying multiculturalism in wild bottlenose dolphins"
15:45 - 16:15	**Tea, coffee**
Chair: Taylor Hersh 16:15 - 16:30	**Luca Hahn** "Social information use during nest construction in wild jackdaws and its implications for animal culture"
16:30 - 16:45	**Yousif Mohammed Alfaki Abdelrahim Ibrahim** "Social learning and herd resilience: Behavioral adaptation and welfare of reintroduced Arabian Oryx (*Oryx leucoryx*) in the Shaybah Wildlife Sanctuary"
16:45 - 17:00	**Arnon Lotem** "Experimental manipulation of ecological and cognitive conditions produces the entire conformity-diversity spectrum in a single species"
17:15 - 19:30	**Poster session with drinks**

ASAB · PSGB WINTER MEETING

WEDNESDAY 9TH DECEMBER

ROYAL COLLEGE OF PHYSICIANS EDINBURGH

8:30	**Doors open**
Chair: ASAB President 9:30 - 10:30	**Tinbergen Lecture: Phyllis Lee** "A life history perspective on large, long-lived mammals"
Chair: Sabine Nöbel 10:30 - 10:45	**Simon Kirby** "Cultural transmission leads to language-like statistical structure in learned signalling: evidence from Bengalese finch song"
10:45 - 11:00	**Navya Prakash** "Social information use in the giant honeybee, *Apis dorsata*"
11:00 - 11:30	**Coffee**
11:30 - 11:45	**ASAB Medal Presentation**
Chair: Jennifer Colbourne 11:45 - 12:00	**Marie Diquelou** "Do as I do, or do what I do? Linking nest architecture and building behaviour in nest-building zebra finches"
12:00 - 12:15	**Meredith MacQueeney** "Is teaching involved in the cultural transmission of sponge tool use in wild dolphins?"
12:15 - 12:30	**Jennifer Morinay** "Experimental test of the 'Copy the successful' strategy in a colonial and migratory raptor"
12:30 - 12:45	**Heather Williams** "Learning biases and cultural evolution in Savannah sparrow songs"
12:45 - 13:00	**Noa Truskanov** "Solitary foraging, social consequences: producer-scrounger dynamics in a socially learned tradition"
13:00 - 14:30	**Lunch, Posters**
Chair: Michael Chimento 14:30 - 14:45	**Melissa Ramsay** "Social information use by anti-social scavengers"
14:45 - 15:00	**Marianne Sarfati** ""Impact of farming practices on the cultural evolution of Corn buntings (*Emberiza calandra*)"
15:00 - 15:15	**Giovanni Spezie** "Social learning and development of courtship dance in spotted bowerbirds (*Chlamydera maculata*)"
15:15 - 15:30	**Franny Geller** "From social learning to asynchronous evolution: teasing apart the functional layers of culture across taxa"
15:30 - 16:00	**Tea, coffee**
Chair: Sue Healy 16:00 - 16:45	**Plenary: Ellen Garland** "Whale song culture: learning and transmission of a complex display"
16:45 - 17:00	**ASAB closing talk and prizes**
17:15 - 19:30	**PSGB Opening Reception and Posters**

ASAB · PSGB WINTER MEETING

THURSDAY 10TH DECEMBER

ROYAL COLLEGE OF PHYSICIANS EDINBURGH

8:30	**Doors open**
9:15 - 9:25	**Welcome**
Chair: Catherine Crockford **9:25 - 10:10**	**Public Lecture: Caroline Schuppli** "The deep developmental roots of great ape cultures"
Chair: Kathelijne Koops **10:15 - 10:30**	**Zanna Clay** "Social tolerance and payoff-biased learning promote collective convergence on an efficient foraging solution in chimpanzees"
10:30 - 10:45	**Elliot Howard-Spink** "Cultural patterns of vocal schismogenesis across groups of common marmosets (*Callithrix jaccus*)"
10:45 - 11:00	**Eythan Cousin** "Group-specific social learning dynamics in captive rhesus macaques"
11:00 - 11:30	**Coffee and Posters** **(sponsored by Trentham Monkey Forest)**
Chair: Rachel Kendal **11:30 - 11:45**	**Katya Herberg** "Cultural exaptation: A missing dimension of cumulative cultural evolution"
11:45 - 12:00	**Emile Bryon** "Chimpanzees repeatedly engage in social learning and improve performances in a rule-implicit cumulative token exchange task"
12:00 - 12:15	**Emma Lokuciejewski** "The immediate social environment dynamically shapes movement and foraging in wild Sumatran orangutans (*Pongo abelii*)"
12:15 - 12:30	**Susan Cheyne** "Culture in the canopy: Evaluating candidate socially learned behaviours in two decades of wild ape data from Bornean peat-swamp forest"
12:30 - 12:45	**Andreu Sánchez-Megias** "Savanna chimpanzee social opportunities for learning technological skills"
13:00 - 14:30	**Lunch, AGM, Posters**
Chair: Dorothy Fragaszy **14:30 - 15:15**	**Plenary: Edwin van Leeuwen** "Social learning and culture in our closest living relatives"
Chair: Charlotte Canteloup **15:15 - 15:30**	**Alecia Carter** "Culture and innovation in African papionins: Ecology drives behavioural adaptability"
15:30 - 15:45	**Joana Bessa** "Inter-community variation in object-mediated communication by wild chimpanzees"
15:45 - 16:15	**Tea, coffee** **(sponsored by Trentham Monkey Forest)**
Chair: PSGB President **16:15 - 17:00**	**Osman Hill Memorial Lecture: Richard Wrangham FBA** "From primate culture to human culture: A chimpanzee perspective"
17:00 -	**PSGB closing talk and prizes**
